A wonderful home to escape

The Resort

Puri Sebatur resort is located in a historical Sebatur Village Tegallalang, 25 minutes drive from Ubud Center passing the famous Ceking Tegallalang rice terrace and only 15 minutes drive to Kintamani Batur Volcano.

Accordance to the history Sebatur Village was the place of the king Maya Denawa escaped from the hunting of God Indra. The resort is nestled on the slope of Petanu Creek surrounded with agro plantation and lush green tropical jungle valley and hills almost 700 meter above sea level.

Offering 10 Villas hangings on the hills slope, with a natural Balinese Design with white washed wood painted, Spacious bed room with terracotta floor, Alang-alang grass roof and relaxing wooden deck Terrace facing to the fascinating valley view.

Enhance the Balinese experience with The genuine warm welcome of our Balinese staff , practice morning yoga with fresh mountain air, Relax and rejuvenate yourself in our Tirta Bulan Spa nestled on the creek edge, and sunbathing on the infinity pool deck or enjoy the cocktails at the Sebatur Lobby Bar Lounge facing to the pool with wonderful green hills setting.

The Concept

Puri Sebatur is derived from Balinese word 'Puri' and 'Sebatur'. Puri means a Royal House and Sebatur is the name of the village. Accordance to the history Sebatur Village was the place of the king Maya Denawa escaped from the hunting of God Indra. This resort is built on a unspoiled land has reach of healing energy from the water springs surround, suit for travelers to escape recharge the mind and spirit. Enhance the positive energy of the nature with a genuine hearty personalized service, Escaped but feels like a king at home away from home.

The management

The Resort is owned by Local and managed by The Local Balinese Management “The Puri Resorts” who fully committed to running a company in a Tourism based community with the aim to preserve nature. Its design and implementation has carefully considers the local community, religion rituals, project, and employee recruitment. Every building has been built following the landscape contour by conserving rare trees within the entire the resort. Practicing the Balinese Local Genius life principles TRI HITTA KARANA

A wonderful home to escape

into business, incorporating sustainable spiritual, social and environmental.

The Location

Puri Sebatu resort is located in a historical Sebatu Village Tegallalang, 25 minutes drive from Ubud Center passing the famous Ceking Tegallalang rice terrace and only 15 minutes drive to Kintamani Batur Volcano.

The resort is nestled on the slope of Petanu Creek surrounded with agro plantation and lush green tropical jungle on the hills and valley almost 700 meter above sea level.

The Design

The Resort was designed to incorporate traditional Balinese architecture. Guests are surrounded by the textures and color of nature, dressed slate, terracotta floor, smooth unpainted wood, soft homespun, fabrics, intricate worked copper, fragrant alang-alang grass roofing, natural bamboo, rough cut stone, flowers and foliage.

The Valley Villas

Puri Sebatu offers ten individual unit Villas hangings on the hills slope designed in Balinese architecture using natural unpainted wood, high Glass sledding doors and windows covering almost a half of the rooms to enjoy the spectacular views and brilliant setting sun. Displayed in harmony with Terracotta floor for a warm feeling, Alang-alang grass roof, recycled artwork, Glass walled bath tub facing to the valley with and sky hole inspiring every guest feel s bathing in open air. All joy completed with a relaxing wooden deck Terrace overlooks to the fascinating valley view. Each Villa has been created with the same meticulous attention to detail and privacy for travelers looking for some well deserved time out to relax and recharge in a serene atmosphere spoiled by nature.
